Summary: Recent graduate of Salesforce Pathfinder program and Eleven Fifty JavaScript Bootcamp. Providing six years of Human Resource and Property Management experience, I bring strong analytic and communication skills to find and provide solutions.

Skills and Highlights:

JavaScript - HTML5 - CSS3 - React.js - PostgreSQL - Angular - Express - Certified Salesforce Admin - Apex - Visualforce - Aura - Microsoft Office (Word, Excel, Power Point, Outlook,) - WMS - ADP - Kronos - Prolaint - Paylocity - Workday - Trello

JavaScript Projects - 2019

Dog Paws App PEAN - Team group project to make a website for the selling, breeding, and sharing of dogs. Users are given a social media platform where they can make a profile, chat on a forum, and upload dogs.

<https://dogbreedproject.herokuapp.com/>

Kickboxing Instructor Website PEAN - Full stack website using Angular and Node.js. It is the Kickboxing Instructor's personal website where he will advertise himself and interact with his clients.

<https://marcusverdeflorhaynes.herokuapp.com/>

Pokemon Team App PERN - Website using PERN (Postgres, Express, React, and Node.js). Used Pokemon database API along with my own database. Use a Pokedex to create a Pokemon team.

Work Experience:

Recruiter - Sep 2019 to Current

Adecco Staffing

Process candidates for client's peak hiring season and newly created distribution center. Interview, background check and administer drug test to candidates.

Seasonal Human Resource Specialist - Sep 2018 to Nov 2018

Ascena Retail Group

Three month contract to onboard over 1000 employees. Primary responsibility included interviewing over 30 candidates a day, phone screening candidates, and advertising job posting.

Human Resource Specialist - Mar 2013 to Aug 2018

Readerlink Marketing Services

Handled day to day Human Resource activities for a distribution warehouse of 250 employees. Interview candidates for positions in the warehouse and provided new hire and benefit orientation. Acted as a backup for managers and supervisors in times of absence. Was selected to go on a five week business trip to help start operations of a new warehouse as a project manager.

Inventory Control Clerk - June 2011 to Mar 2013

Readerlink Marketing Services

Managed department's inventory on the warehouse database. Displayed initiative and developed operation process that improving production.

Real Estate Manager - Aug 2013 to Current

Self-Owned Business

Property owner of three houses that I currently lease. Maintains and negotiates contracts with tenants, as well as contract renovations to be made on properties.
